**Care for the canopy:**

- Simply clean the umbrella canopy with a soft brush and mild detergent.
- Do not machine wash or machine dry.
- Do not iron.
- Air-dry the canopy thoroughly in an open position before storing for extended periods of time.

**IMPORTANT!** Always close/put down the parasol when not in use. Do not use or assemble the parasol in heavy winds, rain, thunderstorms or if it's snowing. In these weather conditions, we recommend to fold down or disassemble the parasol. Disassemble by following the setup steps in this manual.

**IMPORTANT!** The parasol must be secured in place using a parasol base. Make sure the ground is level and firm.

**IMPORTANT!** If the crank gets too hard to turn, check if the rope has come off the pulley. If you continue to turn the crank, the rope or crank handle could break.

**IMPORTANT!** Placing the parasol over or near a swimming pool can cause premature fading of the canopy.

**WARNING:** To prevent damage to parasol, facing the canopy against the wind.

Do not assemble the parasol on sandy, muddy or loose soil.

Keep children and pets away while setting up the parasol.

Children must be supervised around the parasol.

This parasol is for outdoor use only.

Do not light any fires under or near the parasol!

This parasol is primarily intended to be used as a sunshade and not as wind protection.
